Connecting Parents, Students and  
Teachers

Edition 1 Volume 1

To those of you who are new to our school WELCOME! And to our returning students and families WELCOME BACK! We are very excited to get started on another amazing school year and we have some exciting things planned! Our campus has a new look thanks to the addition of solar panels. Not only will they provide our school with energy, they will create a covered eating area for our students. Our Cluster kitchen project was completed last year! Thank you to all who gave their time and energy to make it happen. We have a new serving window, oven/stovetop, refrigerator and double sink.

Please join us at our first PTA meeting to discuss our fundraising goal for this year. Your input is valued and necessary for success. Together we support the students at Wilson School!

## VOLUNTEER OPPORTUNITIES!

There are many volunteer opportunities that come up throughout the school year. Wilson School PTA uses a website called "Sign-Up Genius" to organize our volunteers. The website is easy to use, and even emails you a reminder for when you signed up! Please see the school web site for links: [www.wilsonschooletaluma.org](http://www.wilsonschooletaluma.org) for upcoming events where you can get involved.
